2. Tuscola County Jail Start time: 5:00 pm End time: 8:18 pm

The Planning Commission left Millington at 5:00 pm and arrived at the Tuscola County Jail. We were met at the door by Jail Administrator Brian Harris. We started at the front desk and then to the monitoring station and went through every open area in the jail. We learned some history on the facility as well as some of the processes that the jail staff

goes through to do their jobs. Our jail was built in the mid 1960's. Being able to see this first hand gives us a unique view to understand the impact the jail has on our county and our community.

We were honored to have on our tour, in addition to our Planning Commission members, Bill Lutz, County Commissioner, Shelly Lutz, Tuscola County Controllers Office, Martha Swartz, Millington DDA & Chamber and Emery Close, Millington Township Planning Commission Alternate.

The issues with the jail will have an impact on the Village of Millington.
