Old Business:

Ricky Newton – reevaluate reduced water bill This property was discussed. Mr. Newton discussed that Leander would be doing the roof, windows and siding, they would be doing everything outside first. Leander would not be able to do it until September, unlike the June 13th deadline previously stated. President Reinert gave Rick an application from the DEQ that Steve Erickson got for him that would allow the DEQ to tear it down at no cost to Mr. Newton.
